

## **Selection Committee for the Alumni Sponsorship Programme “Humboldt Research Hubs”**

The central instrument for conferring Humboldt Research Hubs is an interdisciplinary selection committee.

The members are assigned certain applications, on which they report to the committee. All decisions are discussed and taken jointly by the interdisciplinary committee; the Foundation’s Board of Trustees must approve the committee’s choices for Humboldt Research Hubs.

The selection committee is composed of:

- 5 voting members:
  - 4 specialist voting committee members (including the chairperson)
  - 1 non-specialist voting committee member: representative of the Federal Foreign Office
- 1 non-specialist, non-voting representative of the German Academic Exchange Service (DAAD)
- 1 non-specialist, non-voting representative of the Alexander von Humboldt Foundation
